REPORT OF THE BOARD OF EDUCATION
OF THE
TOWN OF ROLLINSFORD
For the Year Ending Feb. 15, 1917.

Changes of teachers during the past year are as follows: The eighth and ninth grades are taught by Miss Annie B. Allen. The Sullivan school by Miss Dorothy Sutcliffe, who was recently granted a leave of absence for study until next fall and Miss Marie Dempsey is substituting for her.

Miss Helen F. Guptill is teacher at the Pear Yard school and Miss Marion Houston at the Turnpike school. Owing to families moving to other places, the last named school has for some time had but two pupils. As a result the Board thinks it best to send them to the Sullivan school and provide for their transportation. The new teachers are giving good satisfaction and the others continue to merit praise as in the past. In recognition of their services an increase was made in their salaries.

To form a proper estimate of the work accomplished in our schools one should visit them occasionally. We,

therefore, urge upon the parents and friends to visit them as they have opportunity.

Ten pupils are attending Berwick Academy. The tuition at the present time is \$36.00 with an extra expense of about \$5.00 for books. There are eighteen pupils attending the high school in Dover from Rolinsford and Salmon Falls. The tuition there for out of town pupils is \$50.00 with \$20.00 for transportation. Last summer, owing to severe lameness, Mr. Joseph D. Roberts desired release from his duties as member of the School Board, where for many years he served faithfully, and accordingly resigned, much to the regret of the other members of the Board and of the teachers and pupils whom he had so often cheered by his visits and counsel.

The list of teachers is as follows:

8th and 9th grades,	Miss Annie B. Allen
6th and 7th grades,	Miss Helen B. Tighe
4th and 5th grades,	Miss Helen Finnegan
3rd grade,	Miss Bernice Doherty
